Dear Parents

Kia ora i te whanau

Welcome back to our final term for 2018. We hope you had a restful and enjoyable break with your children. It is lovely to see everyone back and looking so smart in their summer uniform.

Over the break most staff were involved in first aid training to ensure we are all up to date with protocols for keeping your children safe.

Administration move

Our office areas are now located at St Anne's Church. We met with the project managers over the break and they are currently finalizing documentation for the tendering process to rebuild the school office and staffroom.

Our emails and phone systems are the same.

Gala Day

Our Gala team are giving a lot of their time to prepare for our Gala day next Saturday.

They have spent hours planning for a successful day. This is the major fundraiser for the year and it needs YOUR help to be successful.

They are short of helpers on the day and we do not wish to remove activities. Please make contact with the PTA over the weekend or next week to indicate

to them when you can help with a stall between 11.00am and 2.00pm - this is a community event and they can't do it all by themselves. All proceeds come back to the school for your children.

There is a Mufti day next Friday 26th and a collection for our cake stall - this stall is always popular and home made baked items are required.

Athletics day

This event will involve all children. It is scheduled for Friday 2nd November at Cooks Gardens. Please keep this day free to come and watch.

School Mass

Please also keep this date free. Our next mass is scheduled for Sunday 18th November at 9.30am at St Anne's Church. The number of families present last time was very poor. Every parent did make a commitment to support our Special Character when they enrolled their child at school and this commitment includes supporting our school mass - we look forward to having all families present for our final school mass of the year.
